

CENTRE OF DENTAL MEDICINE ST GEORGE

20 Irechek St, Sofia
phone: 954 4783; 952 4194;
0886 129 213; 0898 526 082

Both adults and their children are welcome to visit the Centre of Dental Medicine St George at their new address. The advantage is obvious - quality service in oral hygiene, prosthetic dentistry, paradontology and implantology at prices that are a good deal lower than in other clinics. Educated in Austria, Italy, Switzerland and France, the team of professional dentists has Europe's up-to-date technology at hand. The range of services is very impressive: from a simple check-up and dental whitening to piosurgery and laser treatment. **■**

Why does your GPS device fail to get you to the right place? The geodata used in navigational software is sometimes inaccurate and dates fast. Regular updates of the data is what NAVITEQ specialises in. The features include a database of addresses; roads; points of interest such as museums, hospitals and ATMs; villages; towns and cities and so on. If your business needs precise geospatial data or you just want to find the right way, the NAVITEQ's blue chips is the solution for you. **■**
